

**Egert Belitšev, Director General of the
Estonian Police and Border Guard Board**

"Every child deserves a carefree childhood. We cannot end the war, but together we can create bright summer memories for those who need them most."

At the request of the Head of the Ukrainian Police, the Estonian Police and Border Guard Board, together with partners, is organizing a summer camp for **60 Ukrainian children** who have lost a mother or father serving as a police officer or border guard in the war.

Our aim is to bring our colleagues' children away from the war environment and offer them joy, care, and bright moments. We want children to be able to simply be children.

HOW TO SUPPORT?

We need €85,000 to cover travel costs for the children and their accompanying adults, as well as camp activities in Estonia. We are grateful for every contribution.

Head of the Ukrainian Police, Ivan Vyhivskiy:

The children of these families are our shared concern.

They are forced to grow up before their time, adapting to the realities of life in wartime. Organizing recreation or rehabilitation for them outside Ukraine is not just an opportunity to recharge their batteries. It is a chance to restore their emotional balance and experience the care, peace, and security that they so desperately lack.
